

# DIVISION I FIELD HOCKEY ALL TIME CHAMPIONSHIP BRACKET EAST REGIONAL – SECOND ROUND

## ODU 1992

25-0 • NCAA Champions

GAA: .16      GpG: 6.52      MoV: 6.36

The 1992 Lady Monarchs opened with five shutouts before a goal by Richmond in a 12-1 victory stopped the run. Undeterred, ODU ran off six consecutive shutouts before a 7-1 victory over Duke halted that shutout streak. The Lady Monarchs then sandwiched a set of three straight clean sheets around a 2-1 triumph over #3 Penn State – the only time an opponent came within one goal of ODU the entire season in the final score. A 10-1 victory over JMU in the CAA first round would be the last time ODU opponent found the back of the net. The Lady Monarchs allowed only four goals all season, outscoring their opponents 163-4. For the first time in NCAA Division I history, a team averaged over six goals a game; in fact, ODU failed to score four goals in a game in only four games. Led by Honda honoree Kelli James and fellow All-Americans Robin Smith, Maaike Hilbrand, Laura Knorr and Jill Reeve, the Lady Monarchs outscored their opponents 15-0 in the tournament, tying the record from 1984 for margin in a tournament (5.0 gpg) and the 1990 team for fewest goals allowed. The 21 shutouts is still an NCAA record for both total shutouts and percentage (84%), and the 163 total goals and 6.52 goals per game are both still NCAA records.

## V

## SPFLD 1975

14-1-2 • AIAW Third Place

GAA: .53      GpG: 3.29      MoV: 2.76

The 1975 Springfield team had enjoyed two seasons of an unblemished record, finishing 1973 and 1974 without a loss, but there was no national championship in those two years. The 1975 version opened up the season with five consecutive shutouts, outscoring opponents 27-0. A 2-2 tie to New Hampshire broke that streak but kept the undefeated one going. The Pride kept moving on, going through the end of the regular season 4-0-1 to finish a third consecutive regular season without a loss. In the regional tournament, Springfield put together an impressive 8-0 goal scoring run over three games to enter nationals as the #4 seed overall with a 12-0-2 record. After a default win in the opening round, the Pride put up a 4-0 game against Central Michigan, who had also not lost a game to that point. In the semis, a 5-1 loss to eventual champion East Chester relegated the Pride to the third place game, which they won 3-0 over William & Mary for the program's 13th shutout of the season. Denise DeSautels scored 20 of her school-record 79 this season.
